TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Mason in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Mason on Tuesday, the 10th day of March next at one of the clock in the afternoon, then and there to bring in your ballots for the following:

Article 1. Town Clerk for one year; Selectman for three years; Town Treasurer for one year; Tax Collector for one year; Highway Agent for one year.

Article 2. To choose a Delegate to the Constitutional Convention.

Article 3. To vote on the question "Shall sweepstakes tickets be sold in this town."

The polls to close at 7 P. M. of the same day.

And at seven of the clock in the afternoon of the next day at the same place to act on the following subjects:

Article 4. To choose all necessary Town Officers not chosen by the non-partisan ballot for the ensuing year.

Article 5. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 6. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes.

Article 7. To see if the Town will vote to give a discount on taxes paid on or before a certain date, or take any action relating thereto.

Article 8. To see if the Town will authorize the Selectmen to sell any real estate now owned by the town that has been acquired by tax sale, bequest or gift if they with a majority of the Financial Committee think it advisable, or take any action relating thereto.

Article 9. To see if the Town will vote to petition the State Tax Commission to have an audit made of all town records, by the Municipal Accounting Division and raise and appropriate a sum of money for the same.

Article 10. To see if the Town will allow the Tax Collector compensation for collecting the State Head Tax and fix the amount at 8 per cent or take any action relating thereto.

Article 11. To see if the town will raise and ap-

appropriate a sum of money to buy chairs for the Town Hall or take any action relating thereto.

Article 12. To see if the town will take any action regarding water holes for fire fighting and raise and appropriate a sum of money for the same.

Article 13. To see if the town will take any action regarding building a tool shed, and raise and appropriate a sum of money for the same.

PAUL G. ROBBINS
TRACY A. EATON

Selectmen of Mason

There may be more articles in the posted warrant.

REPORT OF THE BOARD OF SELECTMEN

The year 1963 has been one of continued progress toward a better Mason.

The project for the renovation of the Town Hall has been completed. The improved appearance of this building, both inside and out, and the installation of modern facilities has made this expenditure well worth while.

A piece of fire fighting equipment has been made available to the Volunteer Department which was organized two years ago. This Pumper has been reconditioned by the members and is ready to go. (See cover)

There has been increased activity in the Police Department, adding to the cost.

Our budget for 1964 will request increases in several items, Town Hall, Police, Fire and Winter Roads.

The Balance Sheet shows that the financial position is good with a balance of Assets over Liabilities.

Respectfully submitted,

PAUL G. ROBBINS

TRACY A. EATON

ROBERT E. WOODS

PROPOSED TOWN BUDGET

As approved by the Financial Advisory Committee

Town Officers, Salaries	\$ 1,250.00
Town Officers, Expenses	1,000.00

To our Memorial Shelf have been added:

Collins' Bird Watcher's Guide; gift of Mr. and Mrs. Robert Mairo in memory of Florence Belliveau

Robert Frost's Complete Poems; gift of Mrs. Malcolm Stanton in memory of Harriet Whitaker

Carl Sandburg's American Song Bag and

Elizabeth Burchenal's Collection of Folk Dances and Singing Games; gift of Mr. and Mrs. Richard Drew in memory of Samuel Bates

Copy of the Mason Centennial; gift of Mrs. Hazel Goss Davis in memory of her grandparents

To our magazine department Miss Adshead gave a 2-year subscription to Nature and Science, which replaces Junior Natural History; Mrs. Gish and Mrs. Sowers gave us a complete five-year file of National Geographics to supplement our current subscription, the gift of another friend. Mr. Louis Smith of Lynn, Mass. has supplied us with copies of American Heritage.

Other donors of books, magazines or money have been: Mr. and Mrs. C. W. Anderson, Paula Bowman, Mrs. Elsie Boyle, Mrs. Mary Castle, Mrs. Cook, Sr., Mrs. Cross of Boxford, Mass., Robert Doucette, Miss Jones, Mr. and Mrs. Putnam King, Ray Messier, Mr. Rajala, Almus Russell, Mrs. Helen Sargent, Miss Voorhees, Mrs. George Wallace of Fitchburg, Mrs. Florence Ward of Leominster, Mrs. Robert Woods and the 4-H Boys.

With one cash gift we were able to have an adjustable frame made in which to display from time to time the different pictures from Mr. Anderson's 1963 gift portfolio.

Another generous gift was used to pay the tuition for the course in Library Usage sponsored by the Monadnock Community College. This was given on twelve consecutive Monday mornings at the Peterborough Library by Mr. Bertrand. Mrs. Mary Castle graciously assumed the responsibility of taking this course, with Mrs. Calvin Wentworth substituting when Mrs. Castle could not go. Mrs. Wentworth has also assisted Mrs. Woods in keeping the weekly evening Library session, and has accepted the chairmanship of the Friends of the Library since Mrs. Donald Witty moved to Canada.

The Mason Church granted us the privilege of using a room on the second floor of the Parish House for temporary storage of books and supplies, for which the present Library space is inadequate. One Saturday afternoon the 4-H boys, under the supervision of Mrs. Rafter, in double quick time transferred these materials to the Parish House. As the Church has also given us permission to develop a small area at the rear of the Library to accommodate reference materials, we are hoping that, with the coming of Spring, we may carry out this plan.

With green stamps contributed by several friends and transportation furnished by Mr. and Mrs. Richard Hodges, we have acquired a two-drawer metal filing cabinet, and we have the promise of the Boy Scouts that a much-needed magazine rack will be forthcoming.

Despite the efforts of several friends, the Display Cabinet in front of the Library has not been made weatherproof. Thus far it has housed several attractive posters made by Mrs. Fifield, but it is not feasible to expose valuable books to the elements until the trouble can be corrected.

On May 27th Mrs. Spalding, Mrs. Boyle and Mrs. Woods attended the Book Banquet at Keene, N. H.

To Mrs. Boyle, who continues the many facets of her volunteer work, and to Mrs. Frost in her untiring efforts to be a good liaison officer between school and library, we give our thanks.

The Trustees join me in bespeaking for Mrs. Castle, our new Librarian, wholehearted co-operation.

Respectfully submitted,

ELSIE A. RESOR

Librarian

REPORT OF FIRE DEPARTMENT

The Mason Volunteer Fire Department has now completed its second year of service to the Town of Mason. The Department would like to thank all persons, both members and non-members, for a great deal of co-operation which made this a good year for the Department.

In January, 1963, we received a 750 G.P.M. pumper from the State Forestry Division. The tank has been enlarged from 210 gallons to 560 gallons and enough small hose and equipment has been purchased to handle the initial attack on fires, whether building or brush fires.

Work on the tank truck was stopped so that we could get the new engine in service and, with that done, work on the tanker is continuing.

The Fire Station on Merriam Hill Road is rented through the kindness of Ray Churchill and oil heat has been installed.

Equipment bought by the Department during 1963 is valued at \$4,025.35. This figure does not include money spent to enlarge the truck tank, new battery, paint, hardware, etc., used on the truck, nor does it include gasoline and truck maintenance. These items will run another \$475.00, making a total of \$4,500.35 spent. None of this money was furnished by the Town, the Department having raised or borrowed its own funds. A minimum of \$2,000 additional will be needed to fully equip the truck, but this will have to wait as funds are not available now.

A 60 watt two-way radio has been purchased for the truck. This radio is on the same frequency as twelve other towns in the Souhegan Valley, which gives us instant communication should help be needed.

Fire Alarm Service — The **Fire Emergency number** for Mason is 878-1611. This control center is in Wilton and is connected to the Greenville exchange by two direct lines and manned 24 hours a day. All fire calls except Barrett Hill Road should go to this number. Barrett Hill Road will still call Townsend on first alarm. This system will give better and faster response and will end the confusion that has existed for some time. This fire alarm service is paid for by the Department and not from Town funds.

The attendance at the Fire School at Meadowood Drill Yard in Fitzwilliam last September was excellent. This is a very worthwhile two-day course.

REPORT OF FOREST FIRE WARDEN

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention, however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public

conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.

2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.

3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children-caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of
Mason qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said
district on the third day of March 1964, at eight o'clock in the
afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote a cooperative school district planning committee and to elect the members thereof or determine that they shall be appointed by the Moderator, or take any action relating thereto.

10. To see if the district will vote to raise and appropriate a sum not to exceed \$400 to meet the expenses of the cooperative school district planning committee, including school consultant services, or take any action relating thereto.

11. To see if the district will vote to raise and appropriate a sum not to exceed \$986. to cover the difference between the State Average of \$467 per pupil tuition costs presently budgeted, and the rate to be charged by North Middlesex Regional High School namely \$525., or take any action relating thereto.

12. To transact any other business that may legally come before the meeting.

Given under our hands at said Mason this 13th day of February
1964

SUPERINTENDENT'S REPORT

To the School Board and citizens of Mason, I respectfully submit my sixth annual report as your superintendent of schools.

STAFF AND INSTRUCTION

The Mason school opened this fall with one change in staff. Mr. Robert Rogers of Lyndeborough, New Hampshire, a graduate of Bridgewater State College in Massachusetts, was hired to teach in grades five and six, replacing Mr. Peter Schimmel who left to assume the principalship of the Francestown Elementary School. The other members of the staff continued in their positions at the school, thereby helping to insure continuity and strength in the academic program.

The two areas of instruction outlined in last year's program continue to be improved upon and expanded during this present year. The Phonetic Keys to Reading approach is being used in grades one and two and the Spalding system of reading, writing and spelling is being solidly developed in the other grades. It is expected that each year marked improvement will be seen in these areas through the use of these very sound reading systems.

In the area of mathematics, the modern mathematics approach is now being taught at all grade levels, having started last year with grades one and two. It is anticipated that this type of program will definitely upgrade the quality of instruction in this area and give youngsters insights and understandings that could never have been expected of these children in the past.

Provision is being made in the 1964-65 budget for instruction of children in classes for intellectually retarded. The statutes of the state of New Hampshire allow expenditures to be made in this area and certainly this kind of education is necessary for these children.

Teachers are to be especially complimented for the efforts that they are making to provide for the individual needs of chil-

dren in the school. Within the regular school day and to a great extent after school, teachers are spending an unusual amount of time with youngsters who are experiencing any kinds of difficulty. It has not been unusual to see teachers driving children home at 4:30 or 5 o'clock in the afternoon after a special help session. Even though this means a longer school day for the individual children involved, it is felt that parents sincerely appreciate the special efforts which the teachers are making to meet the individual needs of their children.

During this present school year, Mrs. Charles Fifield has been visiting the school regularly and providing instruction in Art for all of the children in grades one through eight. This program has developed more and more enthusiasm on the part of the teachers and students alike and funds are provided in the 1964-65 budget to formally hire the services of Mrs. Fifield and thus continue this excellent offering. There are not very many schools that have available to them the services of a well qualified instructor in Art. Art provides children with another means of self expression, and it is felt that the children will be better for having had this experience.

The Board feels that more should be done in the area of physical education of our children, not only in the form of calisthenics but also in the development of other physical and coordination skills. The President's Council on Youth Fitness strongly recommends this. \$100 is provided in the 1964-65 budget for one of the members of the staff to devote additional time to the development of a physical education program for all children of the school.

BUILDING AND GROUNDS

Funds are being provided within the present budget to take care of some minor roof repairs and also to paint one of the older classrooms. \$500 has been placed in the budget to further improve the area in the rear of the school in the hopes of slowly developing this site into a satisfactory playground. The area around and to the rear of the school all is in need of improvement and will eventually be taken care of over a period of years by funds

which are provided for in the budget. It is hoped, however, that interested persons in the community will give of their time so that many of these improvements can be made with minimal costs to the town.

FUTURE NEEDS

Since early last fall discussions about improved instructional opportunity for children have taken place by board members of towns within the supervisory union. It may well be that by working closely with other communities in this area, the educational opportunities for children in Mason could be vastly improved. Everyone knows that multiple graded classrooms have their limitations. Everyone knows that instruction at the seventh and eighth grade level in the Mason school cannot compare with instruction that could be provided in a departmentalized junior high school. These limitations make it necessary to constantly seek ways of better preparing children of the community to meet the future. The needs for the future are difficult to anticipate, but should be planned for. With these thoughts in mind, an article has been provided within the warrant to provide for the initiation of a co-operative school study committee. Formation of this committee is a necessary first step in working satisfactorily with other communities. At meetings that the School Board has participated in, consideration has been given to the hiring of a school consultant to survey the educational structure in all the interested communities and have them make recommendations as to the best type of educational plan for Mason. This plan would consider educational needs, community growth and finances. A second article is thus placed in the warrant to provide this study committee with funds that might be used to hire the services of a school consultant. These funds would not necessarily be spent, but if it seemed to be in the best interests of Mason to go along with the hiring of consultant services, then the money would be available for this purpose. It is further possible that trust funds which are available in the State of New Hampshire might help to reduce the costs of the study being made by the cooperating committee. It seems wise, however, to provide an amount of money sufficient to meet the greatest known needs and depend upon the appointed or elected committee to decide whether the funds be expended or not.

FINANCE

There are several areas of increase in the upcoming budget in comparison with the present budget that should be brought to your attention. In the area of teachers' salaries there is an increase of approximately \$1,000. \$550 of this amount is for the additional services noted under Staff and Instruction, the remainder being provided for increases in salary for our teachers. The average salary of teachers in our school is well below the State of New Hampshire average, further below the average in the southern part of New Hampshire and yet further removed from the average just across the state line in Massachusetts. This is not to say that salary is the only factor that is considered by teachers in deciding where they are going to teach, but it is certainly one factor that is well weighed by a teacher in reaching a decision as to their future. Money spent for good instruction is money that is wisely spent.

A second area of increase is in the area of Pupil Transportation where an increase of approximately \$600 is shown. Both of the bus contracts expire this year and make this increase necessary.

A third area of increase is the 700 series of the budget — Maintenance of the School Plant. An increase of about \$200 is shown here and this is made necessary by the provision of money to repair the roof and the painting of a classroom as has already been noted.

In the 1400 series, Tuitions have increased only about \$300 due to a reduction in the number of children at the high school level and not a reduction in the cost of tuition per pupil.

The above noted major increases and other increases and decreases when coupled with revenues which are expected during the coming year result in a school assessment of \$45,692.00 which is approximately \$1600 above the school assessment for the present school year.

SPECIAL ARTICLES

A special article is inserted in the school warrant to determine

what action the district wants to take regarding tuition costs of children who are attending schools where costs are above state average costs. This article was inserted in the warrant in 1961 and was indefinitely postponed. The School Board feels that in the interest of parents sending their children to such schools, this article should be again inserted to see if the district will assume the costs above the New Hampshire high school stage average.

CONCLUSION

I am pleased to report that the Mason School is enjoying another very successful academic year. Through the leadership and efforts of Mrs. Frost and hard work and cooperative effort by the teachers, a fine program is being offered and one which we have no reason to be ashamed of. Parents, as has always been the case in Mason, have been very understanding and cooperative thus encouraging teachers to work even harder on behalf of the children. Special bouquets are in order for the School Board who are constantly seeking ways to provide even better educational opportunity for children, within the physical limitations of the school. I would be remiss if I did not note here the excellent work Mr. and Mrs. Forrest have done, caring for the physical appearance and atmosphere of the school.

With such a united effort by all, it is easy to see why keeping school in Mason has been a joy this year.

Respectfully submitted,

KENNETH A. SARGENT

Superintendent of Schools

REPORT OF SCHOOL NURSE

For Fiscal Year 1962 - 1963

Mason Public School Grades 1 through 8

Visits to School: 13

Home Visits: 2

Tests Given:

Snellen E eye tests, Grades 1, 2 and 3

Keystone Telebinocular tests, Grades 4 and 8

Maico Hearing tests, Grades 4 and 8

Parents were notified if a defect existed.

Special Activities:

1. Assisted school doctor with physicals: 72 examined

Defects found:

Excessive wax in ears	1
Enlarged tonsils	3
Decayed teeth	16
Enlarged Cervical glands	12
Heart Murmur	1
Overweight	1
Poor hygiene	2

Parents were sent notes on these conditions.

2. Sabin Oral Vaccine was made available by the State Department for all pre-school and school children

Type I given on 2/6/63

Type II given on 3/20/63

Type III given on 5/1/63

School children that completed the series: 59

3. Nurse's work included:

Heights and weights on all children
Routine inspections every month
First aid for cuts, bruises, scratches, and toothaches

4. Pre-School Registration May 21, 1963 8 registered
Heights and weights taken
Snellen E eye tests given

5. Dental Clinic, Dr. Roy's office in Greenville, N. H.,
March 1963

Respectfully submitted,

LAILA E. LUHTALA, R.N.

School Nurse

ACTION TAKEN AT TOWN MEETING

MARCH 12, 1963

Town Meeting was called to order by Moderator pro-tem Leland Wildes at 1:00 P. M. Warrant read and polls declared open. Voting followed until 7:00 P. M. Moderator pro-tem Richard Hodges called Town Meeting to order at 8:00 P. M., read the Warrant and announced results of balloting:

Selectman—3 years	Robert E. Woods
Tax Collector—1 year	Esther A. Spalding
Clerk and Treasurer—1 year	Charles F. H. Crathern
Highway Agent — 1 year	G. Porter Washburn

Article 1. Clerk was authorized to cast one vote for each of the following:

Auditors—1 year	Robert Mairo and Sybil Beatham
Library Trustee—3 years	Esther Spalding
Trustee of Trust Funds—3 years	Tracy Eaton
Trustee of Cemetery—3 years	Frank Newell

Article 2. Roads as usual were the chief topic of discussion. Mr. Eaton moved that summer roads be increased from \$4,000.00 to \$6,000.00 to cover cost of tar. After general discussion it was voted to increase summer roads \$2,000.00 for maintenance and up keep of black top roads. A total Town Budget of \$20,565.72 was accepted and passed.

Article 3. Town borrowing of money in anticipation of taxes passed.

Article 4. 2% ten days discount on tax bills passed.

Article 5. Sale of Town owned real estate by Selectmen authorized.

Article 6. Indefinitely postponed.

Article 7. Tax Collector granted 8% Head Tax collections.

Article 8. Appropriation of \$60.00 made for painting Town Hall Fire Escape by Boy Scouts.

Article 9. \$1,000.00 appropriated for painting interior of entire Town Hall. After coffee break Miss Elizabeth Jones was elected person responsible for planning the interior decoration of the hall. Selectman Woods donated his salary for refinishing floor of hall.

Article 10. \$100.00 appropriated for Selectmen to purchase and install new hot water heater in Town Hall kitchen.

Article 11. It was voted to install exit door and steps on south side of Town Hall — \$100.00 appropriated.

Article 12. Purchase of a York Rake was authorized — \$872.50.

Article 14. Taken under consideration before Article 13. Authorization granted for Town to borrow \$10,000.00 to complete road construction as outlined in Article 14. Anticipating 3 years of State T.R.A. money to the Town.

Article 13. Reports as printed were accepted — reading waived.

A vote of thanks was given Fruitdale Grange for the erection of new street signs.

Motion to Adjourn was carried — Time 11:00 P. M.

Town officers were sworn in by moderator following adjournment.
